FATAZZ RIDER

Removable battery

Image text:

Phone Mount

Golf bag holder

Saddle bag

A pleasure to drive, climate-smart and safe in traffic!

Feel the wind in your face, enjoy the open road to your next meeting or simply cruise comfortable around the golf course. Leave the car at home and take the shortcuts through the city with an electric FatAzz Rider. The areas of use are many with the flexibility to go almost where you want.

Just remember to always keep in mind that the battery is sufficiently charged because it is fun to cruise, and although the wind in your hair is nice and traffic laws can be interpreted in many ways, we recommend that you always wear a helmet when driving an electric vehicle.

Specifications:

- 2000 W brushless engine
- Battery 60V 20Ah
- Hydraulic front shock absorber
- Disc brakes, front, and rear
- 18-inch tires, width 24cm
- Bluetooth speaker
- LCD display with speedometer and battery indicator
- LED headlights, brake lights and turn signals
- Theft alarm with remote control
- Up to 40-50 km on one single charge
- Double seats

FATAZZ BOOM

Bluetooth

USB

3,5 mm connector

SD card

A real thriller! Professional BI-Amplified PA Speaker system

A speaker that enhances the party's music with high quality and loud sound, but also adds festive lights from the speaker elements.

With two fat 15-inch speaker elements and a deep bass, you'll enjoy your favorite tunes just as well on terrace at home on a sunny day or on the dance floor after the wedding ceremony.

The unique lights from the speakers gives it a unique touch.

Several ways to connect
You can easily connect the phone via Bluetooth or a 3.5mm connector, but you can also connect a DJ mixer with an XLR-cable. It is also possible to connect multiple speakers to really get ready for the big party.

It has Radio, USB, and SD sockets that you can play directly from. And you move it easily with the built-in wheels..

Specifications:

- Extreme bass and 200W effect
- Height 115 cm with wheels
- Bluetooth, XLR IN/OUT, USB, SD card, FM Radio
- 5 channel equalizers
- ON/OFF Lightning
- Microphone with cord
